Welcome to 2021 - The Year of New Possibilities

It's time to unfold new pages and start a new chapter in your life because it's a
New Year!!!

(Idiom: unfold new pages and start a new chapter -
start fresh, usually after a major change in life)

We, at Language for Life, hope that you have all started the new year well and are
looking forward to new possibilities and adventures with the English language!

(Idiom: look forward to - be excited about something that will happen)

New Year - New Classes

We have kicked off (Phrasal Verb - to start something new) our January classes and they are once again in full swing! (Idiom: full swing - at the highest level of activity) Things are going well and everyone seems to be learning and having fun making new connections and building new friendships! We continue to be amazed at how lucky we are that we get to spend time with so many amazing people who enrich our lives tremendously!

Keep up the good work everyone!

(Idiom: to keep up the good work - to keep doing the good that you are doing.)

What's ahead?

The COVID-19 situation has made life difficult for everyone, including Language for Life but we continue to focus on making the best of it and find new ways to do what we love; teach English to all of you in creative ways.

(Idiom: to make the best of it - to deal with (a bad situation) as well as possible)

We continue to appreciate all of your support and hope that you will continue to spread the word about Language for Life and share your experiences with us with your friends.

(Idiom : spread the word - to share information)

If you have any questions or are interested in finding out more about our programs and future registration opportunities, please reach out to us!!

(Phrasal Verb: reach out - to try to communicate with a person or a group of people)

We would love to meet you and discuss your English learning goals!

DECEMBER RIDDLE OF THE MONTH - DID YOU GUESS IT??

You are right!!!!

The letter:

FUN FACT!

Did you know??

English has more words than most languages.

There are currently about an estimated [one million words in the English language](#).

But don't let this scare you, because...

The average English speaker only knows between 20,000 and 30,000 words.
